

Lagos – Atalaia

Luxury Offplan Villa

This stylish villa is set in one of the fastest growing and most desired neighbourhoods in Lagos. Designed for indoor-outdoor living, all rooms have sliding doors to generous terraces or balconies, while lush gardens surround the villa, sun terrace and pool.

The ground floor consists of a large living / dining area & spacious kitchen leading to a covered patio with dining area, barbeque and outdoor sink. There is also a 2 car garage & guest wc. The first floor has 4 bedrooms and 3 bathrooms (2 en suite), all with doors to large balconies which will have views stretching over the countryside to the sea.

Plot size 580 m² – Building area 215 m² – Delivery December 2008

Price € 725,000
