

Award winning architecture – Central Algarve

This award winning private luxury complex in Fonte Santa comprises just 12 contemporary townhouses finished to an exceptionally high standard and designed in an innovative modern style – each with four bedrooms and a large private garage. Offering generous living areas spread over two levels, with spacious basement areas, this is an ideal lifestyle choice for families

These homes each have a private garden, in addition to which there are attractive communal gardens with leisure areas for adults and children. There are separate outdoor salt-water swimming pools for adults and children.

Vilamoura and Almancil are both within easy reach of local schools, shops and leisure facilities. Miles of glorious beaches and golf courses are both nearby, and Faro airport is just 30 minutes away.

Prices from €492.000
