

## **Burgau – Vila Maré**

***Vila Maré is a brand new collection of one and two bedroom apartments set close to the beach in the traditional Portuguese fishing village of Burgau. Spacious contemporary living areas have wall to wall windows leading to generous balconies overlooking the communal pool, sun terrace and garden. High quality finishings include Porcelanosa tiling, fully lined and fitted wardrobes plus full installation of air conditioning and pre-installation for central vacuum and sound system. Fully fitted kitchens have granite worktops, kitchen units and top of the range integrated appliances of cooker, hob, extractor and microwave.***

*Burgau has absorbed the advance of tourism but still retains a strong character which remains relatively un-spoilt due to its location in a small cove bound by steep cliffs. The locals still set out to sea in brightly painted boats in pursuit of squid, lobster and sardines as they did a hundred years ago. Nestled on the edge of a national park, the steep streets lead to a horseshoe shaped bay where there is a beach bar, several café's, bars and restaurants. Historic Lagos is just 10 minutes away by car.*
